

Bankers Trust Marathon Relay Event Overview

The Bankers Trust Marathon Relay is designed to offer a team experience to what has historically been regarded as an individual endurance event. This race is intended for running teams of all skill levels and speeds. The Bankers Trust Marathon Relay is not intended for walking teams.

Each team in the Marathon Relay will consist of 5 members. Teams can be any combination of male or female members, but must have at least 2 female members to be considered a co-ed team. Teams must be able to provide documentation that all 5 members work for the same company to be considered a corporate team.

Registration

Bankers Trust Marathon Relay teams need to assign a team captain. The team captain should be responsible for registering the team and managing the team roster. An alternate team member is encouraged, in case one of the other members of the team cannot compete on race day. Each member of the team on race day must be registered for the event.

The Bankers Trust Marathon Relay will take place on Sunday, October 17, 2010. The race will start with the IMT Des Moines Marathon & Half Marathon at 8 a.m. in downtown Des Moines at Nollen Plaza. Registration for this race is capped at 100 teams.

Official Time

Team member #1 will start the Bankers Trust Marathon Relay and will self-select their place at the starting line based on the predicted finish time for the team. The start of the Marathon Relay is based on gun time. Team member #5 will be given a net/chip time when they cross the finish line. This will serve as the official course time for the team. Each team member that completes a leg of the race will receive a finisher medal.

Prize Money

A charitable contribution is made to charity of choice for top three winning teams in each division.
