Prize Money Guidelines

An athlete can be awarded prize money in only one category. The IMT Des Moines Marathon does not duplicate or double-dip overall and age division awards.

Prize money winners cannot qualify for age division awards.

If a runner places in two prize money categories, prestige takes precedence. (Example: If runner qualifies 3rd in the marathon and as Top Iowan, he or she would be awarded 3rd in the marathon.)

Cash awards and gift card awards are based on gun time not chip time.

Runners must be officially registered for an event in order to qualify for any awards or cash prizes.

Scheels and/or Altra Running gift cards will be issued for the amount listed in the half marathon and for top Iowan's in the marathon.

* There is no prize money for the Principal 5K Road Race or Mercy Live Up Loop 5-Mile Run.
